Ronnie Tutty*

Dear NJAIHA Member,

Located below is your 2012 Annual Dues Notice. If you have already renewed your membership please disregard this notice. You can renew your NJAIHA membership directly, via check or PayPal, which is accessible through our website at www.njaiha.org. Donations to our Scholarship Fund can also be made at this time. Please be aware that you may also pay your dues through National AIHA when you renew your membership. Your payment for your local dues will then be forwarded to us.

In addition to the benefits that NJAIHA normally offers its members we are also offering a membership renewal special this year. If you renew by February 28, 2012, you will be eligible for one free dinner meeting (normally a \$25 dollar value). This special will offset a majority of the renewal fee. Don't delay and renew today to take advantage of this special?

Additionally, if any of your contact information has changed, please email updates to membership@njaiha.org.

Please consider joining us at a dinner meeting. Our dinner meetings are only \$25.00 and they are an inexpensive way to earn Certification Maintenance points and learn about emerging issues. All of the meeting details are on our website. Our website also has updated job postings and opportunities for you to advertise your company's services. If you are interested in posting employment opportunities or advertising on our website please email president@njaiha.org.

Best regards,

Elise Franklin, Director, Membership Services

2012 Annual Dues Notice
*American Industrial Hygiene Association
New Jersey Section, Inc.*

Directions:

1. Email updated member information to membership@njaiha.org or mail it to our Newton address.
2. Remit the annual dues payment via one of the payment options.
 - Via National AIHA: Click the box to join the NJ Section
